

Construction Alert

May 14, 2024

The contractor has informed the Village that storm sewer work will begin on Thursday, May 16th and last for 3-4 weeks. Work will occur in two areas on Cloverdale Lane:

1. Cloverdale Lane and Waverly Lane: Starting May 16, work to remove and replace storm sewer infrastructure and add new drainage structures will begin. The contractor estimates that work will be completed in about one week.
2. Cloverdale Lane and Arbordale Lane: Once work at the above location is completed, the contractor will begin to remove and replace storm sewer infrastructure and add new drainage structures at this location. The contractor estimates work at this location to be completed in 2-3 weeks.

Cloverdale Lane will be closed to through traffic daily due to the storm sewer construction. Residents will be able to get in and out of their driveways during this time. Please avoid driving through the work zone, if possible. Also, please use extreme caution when walking or driving through the work zone during working and non-working hours.
