

Construction Update April 27th 2024

Work pertaining to Stage I of the Willoughby Farms Rehabilitation Project is well underway!

Recently the contractor removed and replaced concrete for sidewalks, curb and gutter, driveway aprons and ADA ramps throughout the Stage I project limits.

Over the next couple of weeks, the contractor will continue with:

- Curb line drainage structure adjustments
- Storm sewer installation

- Landscape restoration

All concrete items are anticipated to be completed this week. The Village will continue to communicate all driveway access impacts with residents.

Sidewalk and curb removal

Driveway apron being installed
